

CHANGE LIVES ONE STEP AT A TIME

WHO WE ARE

A Non profit organization working toward the upliftment and preservation of a healthy lifestyle. We connect with businesses, community members and wellness institutions to support the health of the public.

For each mile you exercise, the donation could change someone's life. Any hospital or individual can link online through the application for assistance.

You could be the reason for somebody's survival. All you have to do is EXERCISE.

SYNERGIA

Turning everyday physical
activity into charitable donations

PLANNER

A planner to keep track of your workout regime.

Pay a subscription of \$6 per month and gain access to the latest albums. Enjoy music at the leisure of working out while half of the subscription charges goes to Synergia.

'GIVING' DOESN'T ALWAYS HAVE TO BE FINANCIAL

01

Pick a game involving physical activity and start playing with the AI. Check distance, speed and score. Your favorite game at \$5.

02

Choose from an array of beautiful routes for working out.

03

For \$10 per month, get the chance to watch your favorite videos, songs and movies on Youtube. Youtube pays 50 cents for every like and share of the best playlist created by users.
